**WATERFALL JET**

Ein natürlicher Regenstrahl.

*A fall spout completely natural*

**SELF- CLEANING**

Speziell entwickelt für kalkhaltiges Wasser.

*Conceived for definitely resolve the problems due to limestone and impurities of water.*

**PERFORMANCE**

Optimales Strahlbild bei fast jedem Wasserdruck und Durchflussmenge.

*Thanking the ingenious project , Technology shower head can gurantee a very good performance with any water... pression.....flow rate.*

**TECHNOLOGY**

Ein Beispiel für unvergleichliches Design und einzigartige Technik in Edelstahl.

*An example of project which take advantage of the unique physical peculiarity of steinless steel to obtain a product always the same in the time and with every condition of use.*
